On October 16th Christian communities will dedicate parts of, or all of their service to the vision of Jubilee. As Christians, we have a specific message of hope to bring to this movement. Jesus stood up and spoke out about the injustices that were happening in his time. Our scriptures tell us that God cares deeply for those who are oppressed and that God promises to hear us when we pray. Let's join hands and pray and act together in conscience.

Jubilee USA, a bipartisan and nonprofit alliance, will introduce the Jubilee Act into Congress this fall. The legislation will provide solutions to the international debt crises and work towards implementing responsible lending and borrowing. It calls for mechanisms to promote transparency and accountability in the international financial institutions that will produce greater economic justice for all! Stay alert for future actions to help pass this necessary policy!
