Mr. Neil Watkins,  
National Coordinator Jubilee Debt Movement,  
222 East Capital Street NE  
Washington DC 20003

Mr. Watkins,

I hope this finds you well of health. Allow me to thank you for the invitation at the Cancel Debt Fast Campaign, an event that will run for 40 days in the push for debt cancellation and economic justice for the most poor countries in the world.

It is hard to imagine the millions of peoples suffering hunger, lack of medical facilities, shelter and other basic needs due to debts that were incurred by self seekers at the expense of the poor people in the community.

I therefore take this opportunity to ascertain my support toward the FAST and to add my support for the noble action you are doing on behalf of the vulnerable in the society.

Unfortunately for the event, I will not manage to attend due to time limitations.

Once again you can count on my support.

Sincerely,

**Hon. Prof. Wangari Maathai, E.G.H., E.B.S.**  
Presiding Officer, ECOSOCC of the African Union.  
The Goodwill Ambassador, Congo Basin Forest Ecosystem.
